

Objective

Increase student reading proficiency and growth

Critical Initiative

Provide explicit phonics (grades 1-2) and lessons in reading comprehension in grades 3-5.

Start Date: 07/01/2020

End Date: 07/01/2021

Key Measures

Aimsweb Plus Literacy for Grades 1-3

Aimsweb Plus Progress monitoring

Increase 7% reading proficiency in grades 1 & 2

Maintain reading proficiency composite in grade 3

Increase from 78-85% in reading in grades 4 & 5

Critical Initiative

Provide differentiated instruction, small group intervention, and checks for understanding (Literacy High Five) during Reading.

Start Date: 07/01/2020

End Date: 07/01/2021

Key Measures

Common Formative Assessment reflected on plans

Aimsweb Plus Progress monitoring

Utilize analysis of CFAs to adjust instruction

Critical Initiative

Utilize analysis of CFAs to adjust instruction during PLC meetings (Tier-II)

Start Date: 07/01/2020

End Date: 07/01/2021

Key Measures

Common Formative Assessment reflected on plans

Classroom Observation

Aimsweb Plus Progress monitoring

Critical Initiative

Use exit slips to check for understanding

Start Date: 07/01/2020

End Date: 07/01/2021

Key Measures

Utilize analysis of CFAs to adjust instruction

Objective

Increase student math proficiency and growth

Critical Initiative

Teachers will use Scantron data-suggested learning objectives to form small groups and guide small group instruction in math in grades 4 and 5.

Start Date: 07/01/2020

End Date: 07/01/2021

Key Measures

Utilize analysis of CFAs to adjust instruction

Increase from 80.5 to 85.5% in Math ingrades 4 & 5

Critical Initiative

Utilize common formative assessment to guide academic instruction.

Start Date: 07/01/2020

End Date: 07/01/2021

Key Measures

Common Formative Assessment reflected on plans

Classroom Observation

Aimsweb Plus Progress monitoring

Critical Initiative

Provide differentiated instruction, small group intervention, and checks for understanding (Literacy High Five) during math.

Start Date: 07/01/2020

End Date: 07/01/2021

Key Measures

Increase skills in math facts fluency & comparison

Increase number comparison fluency (2nd & 3rd grade)

Critical Initiative

Provide explicit instruction in math in grades 1-5.

Start Date: 07/01/2020

End Date: 06/01/2021

Key Measures

Increase math proficiency in grades 1 & 2 by 12%

Increase math proficiency in grade 3 by 7%

Increase from 80.5 to 85.5% in Math ingrades 4 & 5

Objective

Increase academic proficiency and success for Tier II students (Grades 1-3) using Trauma invested strategies and practices

Critical Initiative

Provide differentiated instruction, small group intervention, and checks for understanding (Literacy High Five) during Reading and math.

Start Date: 07/01/2020

End Date: 07/01/2021

Key Measures

Increase math and reading proficiency (Tier II)

Schools of Character

Implement strategies taught during PCN

Critical Initiative

Utilize analysis of CFAs to adjust instruction and provide Tier II instruction

Start Date: 07/01/2020

End Date: 07/01/2021

Key Measures

Common Formative Assessment reflected on plans

Aimsweb Plus Progress monitoring

Utilize analysis of CFAs to adjust instruction
